

Your Legitimate Rights

1. You have a right to need things from others.
2. You have a right to put yourself first sometimes.
3. You have a right to feel and express your emotions or your pain.
4. You have the right to be the final judge of your beliefs and accept them as legitimate.
5. You have the right to your opinions and convictions.
6. You have the right to your experience - even if it's different from that of other people.
7. You have the right to protest any treatment or criticism that feels bad to you.
8. You have the right to negotiate for change.
9. You have the right to ask for help, emotional support, or anything else you need (even though you may not always get it).

Stand up for what is right, even if you standing alone.
